- We will supply the tennis balls.
- Please do not touch any surroundings such as the net, side fences and walls. The coaches will be limiting any equipment that they use.
- Toilets can now be used up at the Caddymaster area using a one in, one out system. We will show all players the location of the toilets.
- To keep social distancing in the camp, Tennis Ireland have recommended that the exercises will be live ball drills and games based play (which will involve rallying or points play).
